

Careersinholland is specialized in international recruitment of bachelor, master and PhD level candidates in the areas ICT, Energy, Oil/Gas, Offshore and High Tech. We offer you cost efficient, modular recruitment services for maximum added value against lower costs.

Our offer: “Exposure”

Does your company experience a lack of applicants responding to your recruitment efforts? Do you want more exposure for your vacancy within your target audience and receive more response? We will not only advertise your jobs on Careersinholland.com, but on a host of additional online channels as well.

Activities

- Job advertising on Careersinholland.com, including company logo if preferred.
- Multiposting on 20+ additional job boards, social media and verticals/aggregators.
- Your vacancy highlighted in our regular newsletter towards 11.000+ candidates in base.
- Optional: company profile with logo and direct link to your website.
- Optional: job description rewrite and search engine optimization

Result

Maximum online exposure within your target audience. Significant increase in response to your job advertisement.
